On-the-Job Training Program (OJT)

0514

SOMETIMES AN INJURED WORKER is unable to return to their original job, and they have to find a new career – perhaps in a new field.

The On-the-Job Training Program (OJT) offered by the Workers' Compensation Board of Nova Scotia (WCB) can provide these workers with much-needed training and experience to help them make this transition. OJT is also a risk-free, cost-saving program that can provide you with a qualified worker for a specified period of time.

A WCB Case Manager will be happy to discuss our On-the-Job Training Program with you. To arrange a meeting, please contact us.
